INDEPENDENT AUDITORS' REPORT

To the Board of Directors of
Ride On Therapeutic Horsemanship (Ride On)
(A California Non-Profit Corporation)
Chatsworth, California

We have audited the accompanying statement of financial position of Ride On Therapeutic Horsemanship (Ride On) (A California Non-Profit Corporation) as of December 31, 2005, and the related statements of activities, functional expenses, and cash flows for the year then ended. These financial statements are the responsibility of Ride On's management. Our responsibility is to express an opinion on these financial statements based on our audit. The prior year summarized comparative information has been derived from the Ride On's financial statements and, in our report dated May 5, 2005, we expressed an unqualified opinion on those financial statements.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Ride On as of December 31, 2005, and the changes in its net assets and its cash flows for the year then ended in conformity with accounting principles generally accepted in the United States of America.

NOTES TO FINANCIAL STATEMENTS
FOR THE YEAR ENDED DECEMBER 31, 2005**

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Organization

Ride On Therapeutic Horsemanship (Ride On) was founded in 1994 pursuant to the California Non-Profit Public Benefit Corporation laws and conducts its activities exclusively for charitable and educational purposes within the meaning of Section 501(c)(3) of the U.S. Internal Revenue Code of 1954 under which it is qualified as a tax-exempt organization.

Ride On was organized to promote the welfare of “at risk” youth, and people with any type of disability or mental illness, by means of therapeutic horseback riding, and by instruction in related social, vocational and recreational activities.

Ride On’s program serves over 135 riders each week at two ranches in Los Angeles and Ventura Counties. The program is nationally accredited by NARHA, the North American Riding for the Handicapped Association, and the teaching staff includes 9 certified instructors and 5 licensed therapists assisted by 27 horses. Ride On remains the only nationally-accredited program in LA or Ventura counties which brings a Physical Therapist to a ranch to use the horses' movement to improve specific medical conditions.

During the year ended December 31, 2005, Ride On gave 5,140 lessons using an average of 130 volunteers per month who donated over 14,905 hours of service. About half of the riders have physical disabilities and half are mentally disabled; many have multiple handicaps requiring extensive staff and volunteer support. Over seventy-five percent of the riders are children. Ride On operates two facilities, a two-acre ranch in Chatsworth, and a 13-acre park site in Newbury Park operated in partnership with the Conejo Recreation and Park District.

Contributions

Contributions received in cash from corporations, foundations and individuals for support of current activities are recorded as support in the period received and classified as unrestricted, temporarily restricted or permanently restricted increases in net assets based on donor specifications. Pledges receivable at December 31, 2005 are collectible through ending 2007.

Contributed Equipment and Services

Contributions (In-Kind) of fixed assets and qualifying services are reflected as contributions in the accompanying statements at their estimated values at the date of receipt and are classified as unrestricted, temporarily restricted or permanently restricted increases in net assets based on donor specifications. In addition to In-Kind rent (Note 4) volunteers have contributed services related to improvements and maintenance of the primary operating facilities.

Functional Expense Allocations

The costs of providing services of Ride On have been summarized on a functional basis in the statement of functional expenses. Certain costs have been allocated among the program and supporting services based upon time studies and estimates made by Ride On’s management.

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Cash and Cash Equivalents and Concentrations

Cash and cash equivalents consist of cash held in checking and money market accounts with maturities of less than 90 days. At year-end, and throughout the year, Ride On's cash balances, deposited in one bank, exceeded federally insured limits. Management believes Ride On is not exposed to any significant credit risk on cash and cash equivalents.

Property

Property consists of the cost of fixed assets which are depreciated on the straight-line method over their estimated useful lives ranging from five to ten years, for equipment and horses, to fifteen years for leasehold improvements. Fully depreciated assets are retained in the accounts until their retirement. Purchases of small items are expensed as acquired.

Estimates

Pursuant to U.S. generally accepted accounting principles, management uses estimates and assumptions in preparing financial statements. Those required estimates and assumptions affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities, and the reported revenues and expenses.

Reclassifications

Certain amounts in the 2004 financial statement totals were reclassified to conform with the 2005 reporting format.

2. PROPERTY

Property consists of the following at December 31, 2005:

Equipment	\$ 106,432
Horses	47,100
Mobile Buildings/Stalls	120,149
Leasehold Improvements	<u>156,326</u>
	430,007

4. COMMITMENTS

Ride On is obligated under two operating facility leases. The Chatsworth lease, for a two-acre ranch where it has operated for 8 years, expires in October 2008 but contains an annual cancellation provision after October 31, 2004. The Thousand Oaks lease is for exclusive use of a thirteen-acre park site owned by Conejo Recreation and Park District. This lease cost is \$40 per year for a 40-year period expiring in July 2040 but is renewable annually. Management estimates the fair value of this contributed lease at \$40,000 annually.

An equipment operating lease provides for monthly payments of \$130 through 2006.

Minimum annual anticipated payments under these leases are as follows:

2006	\$ 16,720
2007	\$ 17,070
2008	\$ 14,640
2009	\$ 40
Thereafter	\$ 1,280

Total rental expense, excluding in-kind, for the year ended December 31, 2005 was \$56,265.
