## Therapeutic Horsemanship

Serving the San Fernando and Conejo Valleys

### Annual Report 2015 – An Amazing Year of Service

**About Us:** Ride On specializes in therapeutic horseback riding. We teach riding skills to children and adults with mental and physical disabilities and we provide physical and occupational therapy using the movement of the horse to improve specific medical conditions. Our staff includes 9 certified instructors, 9 therapists and over 30 horses. Two hundred and twenty volunteers donated over 14,100 hours of work. Ride On has now given over 91,500 lessons in our 21-year history - improving the quality of life in our community one ride at a time.

**Record Service:** In 2015, Ride On gave over 8,000 lessons and treatments to an average of 225 clients on a weekly basis. 75% of our riders were children under age 18; 50% are physically and 50% are mentally disabled. We serve many types of disabilities with autism being the most frequent. Many riders have multiple disabilities requiring extensive staff and volunteer support.

**Unique Capacity:** Ride On remains the only national accredited provider of Hippotherapy in all of Los Angeles or Ventura County. Ride On provided over 1,500 physical, occupational and speech therapy treatments. Ride On's staff also served as faculty for the American Hippotherapy Association and PATH Int., Instructor Certification.

**Scholarships:** Ride On subsidizes the cost of riding lessons for all participants. Beyond that, we gave scholarships ranging from free lessons to ½ price for over 1,700 lessons or treatments, about 25% of all lessons.

**Preparing for Generations of Service.** Ride On celebrated its 21st anniversary with record service to the community and record financial support.

- Alex and Stine Van Halen continued to support Ride On hosting a very successful fundraiser at their home
- Longines Masters, Kaley Cuoco and Mr. Murdock supported us for the 2<sup>nd</sup> year at this prestigious event
- Ride On was selected to manage the World Games equestrian competition held at the LAEC in July. Ride On recruited and managed a team of almost 125 qualified volunteers and 85 borrowed horses. The horse management team successfully matched 123 athletes from 35 countries speaking 16 languages with appropriate mounts. Athletes enjoyed 4 days of world class competition during this once in a lifetime opportunity.

**Partnerships:** Ride On completed sixteen years partnering with the Conejo Recreation and Park District which donates the lease of a 13-acre park site for our home in Newbury Park.
