Attendance/Cancellation Policy

Therapy Services-RO's primary goal is to provide consistent therapy to assist you or your child in the ability to reach functional goals. Frequent patient cancellations and/or no-shows limit the potential progress for therapy sessions.

- 2 No-Shows (failure to email or call staff prior to the start of the therapy session) within a 4-month period will result in a loss of the re-occurring appointment time.
- 2 consecutive late cancellations or tardies may result in a loss of the re-occurring appointment time.
- Excessive cancellations, late cancellations, or tardies may result in a loss of the re-occurring appointment time.
- Therapy may be placed on hold if there is an outstanding balance from a previous month.

I understand that late cancellations and no-shows do not allow Therapy Services-RO to schedule another patient who could benefit from therapy, and realize that I may be charged a $75 fee if I do not show for an appointment and/or do not cancel within 24 hours of the scheduled appointment. I understand that I must send an email to cancellations@rideon.org at least 24 hours prior to the scheduled appointment in order to avoid being charged the $75 late cancellation fee. Exceptions are made for extenuating circumstances, as discussed with the Director of Therapy Services. I will notify the Director of Therapy Services or office staff of any changes in the above information so appropriate arrangements can be made for payment.

I acknowledge that I have read the above agreement. I authorize Ride On to charge the above account for therapy sessions and any incurred late cancellation or no-show fees.

Patient/Participant Release and Waiver of Liability
Assumption of Risk and Indemnity Agreement

Whereas, _____,
(Patient/Participant's Full Name – Please Print)
will be participating in therapy treatment sessions organized by Ride On L.A., a California non-profit corporation doing business as "Ride On", "Ride On Therapeutic Horsemanship", "MACH 1", "Move A Child Higher", and "Therapy Services – RO" (hereinafter referred to as "Therapy Services-RO") ;
Please initial one of the following:

_____ Now, therefore, I, the undersigned *parent or legal guardian of the Patient/Participant* named above who is under 18 years of age, for myself and on behalf of the patient/participant named above, his or her personal representatives , estate, heirs, assigns, and next of kin,

_____ Now, therefore, I, the *Patient/Participant* named above, am 18 years of age or older, and I, my personal representatives, estate, heirs, assigns, and next of kin,

do **hereby agree to give up any and all of my legal rights** against Therapy Services-RO, its agents, employees, participants, officers, directors, representatives, assigns, members, owners of riding premises and trails used in its therapy treatment sessions, affiliated organizations, people with whom it has contracts to provide facilities or services, insurers, and others acting on its behalf ("hereinafter collectively referred to as "RELEASED PARTIES"), as more specifically indicated below:

Acknowledgement of Danger and Assumption of Risk.
I acknowledge that physical or occupational therapy incorporating equine movement, being near horses, and being at equestrian facilities and on trails, is **inherently dangerous**, and that no amount of care, caution, instruction, or supervision can eliminate such **dangers.**
I acknowledge such **dangers** include, but are not limited to the following:
1. A horse that may, among other things, buck, stumble, fall, rear, bite, kick, run, stomp, make unpredictable movements, spook, jump obstacles, step on a person's feet, and push or shove a person; saddles, bridles, or other equipment that may loosen, break, or otherwise malfunction; other riders who may not control their animals or ride within their ability, and cause a collision or other unpredictable consequence.
2. The negligent or intentional act or omission of RELEASED PARTIES or a third party.
3. Therapy sessions incorporating equine movement that may be conducted in areas that are subject to change in condition according to weather, temperature, and natural and man-made changes in landscape.
4. An apparent or hidden defect or dangerous condition of the equestrian facilities and trails.
Any of these and other known or unknown **dangers** may cause me to fall or be jolted or injured in another manner, resulting in the possibility of **serious physical and emotional injury, and death**. In addition, I acknowledge that such **injury and death** could result from **self-inflicted injury and death**. **Despite such dangers, I voluntarily assume the risk and danger of serious injury and death inherent in all therapy sessions which may or may not incorporate equine movement organized by Therapy Services-RO.**

Helmet Requirement.
Therapy Services-RO is committed to providing excellent services in the safest environment possible. Wearing a helmet while mounted is required for all patients/participants at Therapy Services-RO. In several instances, helmets that are designed for equestrian use certified by ASTM*/SEI are not appropriate for our patients – due to fit, excessive weight or because of sensory issues. In those situations, we choose the next safest option which are helmets designed for other sports such as bicycle riding. Helmet testing is specific to the intended use. For example, bicycle helmets are certified by the CPSC (Consumer Products Safety Commission) and are tested for impact as might occur in a bike riding accident, but are not tested for situations that may arise from an equestrian accident. If bicycle helmets don't work, alternate helmet options may exist and be appropriate for you or your child.

Therapy Services

Chatsworth | Newbury Park | Pasadena

Fax: (805) 309-5234 | Office: (818) 700-2971 | www.rideon.org

When an ASTM*/SEI equestrian helmet is not appropriate, we will review alternatives with you. It is important to note that no helmet is able to provide protection from all injuries. The patient/family is welcome, and encouraged, to provide a personal helmet for use during Therapy Services. We require that an ASTM/SEI equestrian helmet be chosen when possible. If a non-ASTM/SEI approved helmet is used, such use must be approved by the therapist. If at all possible, the helmet used should be certified by the appropriate agency.

Release of Liability.
I agree to **hold harmless, release and discharge** RELEASED PARTIES **from all claims, demands, causes of action, and legal liability** that I may hereafter have for **injuries, damages, and death** related to Therapy Services-RO incorporating equine movement including but not limited to **injury, damages, and death** caused by the negligent or intentional acts or omissions of RELEASED PARTIES or third parties.
I shall **not bring any claims, demands, legal actions, and causes of action** against Released Parties for **injury, damage, death, or other losses** sustained by me in relation to Therapy Services-RO treatment sessions which may or may not incorporate equine movement.

Indemnification.
I agree to **indemnify and hold harmless** RELEASED PARTIES as to all **claims, actions, damages, costs and expenses, including attorney's fees sustained**, as a result of my willful misconduct or gross negligence relating to my participation in Therapy Services-RO.

California Law.
This agreement is governed by the Laws of the State of California. In the event that any portion of this agreement is determined to be invalid, illegal, or unenforceable, the validity, legality and enforceability of the balance of the agreement shall not be affected or impaired in any way and shall continue in full legal force and effect.
I HAVE READ THIS RELEASE AND WAIVER OF LIABILITY ASSUMPTION OF RISK AND INDEMNITY AGREEMENT; I FULLY UNDERSTAND ITS TERMS AND UNDERSTAND THAT I AM GIVING UP SUBSTANTIAL RIGHTS BY AGREEING TO IT.
